19 de junio, 2018 último día de escuela.

From the Principal

We have had an amazing week! I love our school! This week TSES had the 5th grade Simulated Congressional Hearing (SCH). This event is a culminating event for our fifth grade students as they share the skills that they have learned from Pre-Kindergarten through 5th grade. Our students shared their intelligence, their maturity and most of all, they shared their voices. I could not be more proud of our school! Many thanks to our 3rd graders who shared the Pledge of Allegiance (in Spanish) and our Kindergarten students who sang "You're a Grand Old Flag" as our students and the judges left the opening ceremonies. All of our students contributed to decorating our building in red, white and blue and each of our staff members played a part in this wonderful celebration of the understanding of civic responsibility.

RAIN OR SHINE Field Day is on Wednesday June 6th! Please be sure to let Mr. Watts and Ms. Parker know of your intent to participate. Typically, Field Day is a highlight of the year in elementary school! I look forward to seeing the joy in the faces of your children as they participate in a day of play and sportsmanship!

Please wish our Girls on the Run® participants the best of luck this weekend as they complete their 5K run. I am so proud of these determined students as they persevere through a run that would challenge many adults.

Lastly, I was honored to attend the Oakland Mills High School graduation last Friday. I was filled with so much pride as I watched many of our former TSES students complete high school. The hope that lives within each of these young people is inspiring. I look forward to the continued educational journey of each of your children. Thank you for sharing them with us! Have a wonderful weekend.

IMPORTANT TSES INFORMATION:

Field Day is on Wednesday June 6, 2018 ! It's not too late to volunteer in the morning, afternoon or all day. Parent Volunteer sign up information was sent home with your child's interim report on Thursday. Please sign up again if you already signed up! Your help is greatly appreciated!

On Field Day, please remind your child to bring or wear the following items: SNEAKERS, Grade Color T-Shirt, Shorts, Sunscreen, Sunglasses, and a Water Bottle with your child's name.

Do you have questions About GT Mathematics at Talbott Springs? Please join us for a parent informational meeting about the Gifted & Talented mathematics program on Tuesday, June 5th from 6:30 to 7:00 Mr. McMahon's classroom. This meeting is for you if you're wondering...

- How does GT math differ from above grade level math?
- How does the level change impact the math course trajectory for my child?
- What can I expect from the transition into GT?

If you can't attend, and would like the overview, email Brian McMahon at brian_holcombmacmahon@hcpss.org or Marilyn Lepore at marilyn_lepore@hcpss.org

The Royal Flush!!!!

What: Staff will volunteer to be "Royally Flushed" on June 11th

How can students earn a chance to "Royally Flush" a staff member??????

From Wednesday May 16th through June 10th TSES staff members are looking to catch students being kind. A Gift of Kindness slip will be filled out based on the event observed. All slips will be collected and any slips given by staff will be placed in the lottery for students to have a chance to 'flush' a staff member. Please remind your child(ren) of the opportunity to be recognized for kindness at TSES!

WE CAN: Celebrate Wellness at Talbott Springs

The Wellness Team LOVES seeing so many students wearing their Fitness Finder necklaces on Wellness Wednesdays! May challenges have been sent home and posted on our website. This month we are challenging families to reduce screen time.

Congratulations to the following families who are working to decrease their screen time:

- * The GLASS family go biking, hiking or swimming instead of being on their screens.
- * The NIELSON family will do yoga or play board games more and look at their screens less.
- * The KOSKIE family has set a goal to bike ride, swim and jog instead of sitting with their screens.

How is your family working to decrease their screen time? Be sure to bring back your May challenge and let us know. You'll get a new Fitness Finder charm to add to your necklace and you might even be featured in the newsletter and on the announcements!

INFORMACIÓN IMPORTANTE TSES

Padres de 5to grado! La fotografía panorámica de 5to grado ha sido reprogramada para el viernes 1 de junio de 2018. Asegúrese de que su hijo use la camiseta de TSES ese día o que use una camisa roja. ¡Nos disculpamos por la reprogramación de este evento!

La información de inscripción de Padres Voluntarios se envió a casa con el informe provisional de su hijo el jueves. ¡Regístrese nuevamente si ya se ha registrado!
¡Tu ayuda es muy apreciada!

El día de campo, recuerdele a su hijo que traiga o use los siguientes artículos:

Las ilustraciones de los estudiantes de TSES permanecerán en exhibición durante todo el día con otras escuelas del área.

¡Por favor ayuda! Nos hemos quedado sin envoltura de burbujas! ¡Los maestros de arte aprecian mucho las donaciones de envoltorios de burbujas para ayudar a transportar los artículos de barro a casa de manera segura! Cuarto grado tendrá dragones de arcilla para envolver y tercer grado tendrá que envolver sus cuencos de arcilla. ¡Se apreciará cualquier cantidad de plástico de burbujas!

¿Tiene preguntas sobre GT Matemáticas en Talbott Springs? Por favor, únase a nosotros para una reunión informativa para padres sobre el programa de matemáticas para Dotados y Talentosos el martes, 5 de junio de 6:30 a 7:00pm aula del Sr. McMahon. Esta reunión es para usted si se pregunta ...

- ¿En qué se diferencian las matemáticas de GT de las matemáticas de nivel superior?
- ¿Cómo afecta el cambio de nivel la trayectoria del curso de matemáticas para mi hijo?
- ¿Qué puedo esperar de la transición a GT?

Si no puede asistir, y desea obtener información general, envíe un correo electrónico a Brian McMahon a brian_holcombmacmahon@hcpss.org o a Marilyn Lepore a marilyn_lepore@hcpss.org

El enjuague real !!!!

Qué: El personal se ofrecerá como voluntario para ser "enjuagado" el 11 de junio

¿Cómo pueden los estudiantes obtener la oportunidad de "enjuagar" a un miembro del personal ??????

Desde el miércoles 16 de mayo hasta el 10 de junio, los miembros del personal de TSES buscarán que los estudiantes sean amables. Se llenará un comprobante de Gift of Kindness según el evento observado. Todos los formularios se recogerán y cualquier papeleta entregada por el personal se colocará en la lotería para que los estudiantes tengan la oportunidad de "enjuagar" a un miembro del personal.

PODEMOS: Celebrar el bienestar en Talbott Springs

¡El Equipo de Bienestar adora ver a tantos estudiantes usando sus collares de Fitness Finder en los miércoles de Bienestar! Los desafíos de mayo se enviaron a casa y se publicaron en nuestro sitio web. Este mes estamos desafiando a las familias a reducir el tiempo de pantalla.

Felicidades a las siguientes familias que están trabajando para disminuir su tiempo de pantalla:

* La familia GARBART sale y juega en lugar de estar en frente de sus pantallas.

* La familia EGGLESTON jugará juegos de mesa y andará en bicicleta más y mirará menos sus pantallas.

¿Cómo está trabajando su familia para disminuir su tiempo de pantalla? Asegúrese de traer de vuelta su desafío de mayo y háganos saber. Obtendrá una nueva cuenca de Fitness Finder para agregar a su collar e incluso podrá aparecer en el boletín informativo y en los anuncios.
