Talbott Springs is a Schoolwide Title I school

Title I programs at each school vary depending on the needs of the students. TSES families, students and staff benefit from being Schoolwide Title I in many ways. Every child may benefit from the added services and funding that a Schoolwide Title I program can offer. A Schoolwide program helps a school to address the learning strengths and needs of a child using a more comprehensive approach.

Benefits Title I Brings to TSES:

- Additional instructional staff
- Differentiated instruction and interventions
- Extra mobile laptop labs
- Funds to hold schoolwide and targeted family nights

Our Mission:

TSES will structure opportunities for learning in which each child can access the appropriate resources to achieve his or her potential academically, socially and emotionally with the support and collaborative engagement from students, parents, community members and school staff.

Family Events by Month

Some events may change. Look for exact dates and times on our calendar at the beginning of each quarter or on our website.

What is a Family-School Compact & Plan?

A Family-School Compact & Plan is an agreement between families, students and teachers that is jointly developed and distributed to all families. It explains how families, students, and teachers will work as a team to ensure all students make continuous growth and receive the support they need to achieve grade level goals.

We welcome your ideas and input into the compact and plan, topics for TSES staff training on working together as equal partners, and the family involvement budget by joining the School Improvement Team (SIT), attending the end of year input meeting, and offering your feedback on surveys.

If you have any questions or comments about the Family-School Compact & Plan please contact our school at 410-313-6915. For a copy of our School Improvement Plan, visit <http://tses.hcpss.org>.

Things to Expect from our Staff

*Provides reading and math support to students who need it.

*Encourages students to learn by emphasizing our **5 Social and Emotional Competencies**:

-Self-Awareness

-Responsible Decision-Making

-Self-Management

-Relationship Skills

-Social Awareness

Daily Caring Community Circles for additional emphasis of the Competencies

*Offers parenting workshops and in-services on topics promoting the academic achievement of their children. Utilizes team Canvas page for updates and communication with families.

*Establishes firm and fair behavior expectations that will reward good behavior (schoolwide PBIS program)

Our Goals for Student Achievement

Through high-quality curriculum using the MD College and Career-Ready Standards

English Language Arts -- With support, primary students will accurately read and comprehend literary and informational text. All students will be able to orally respond to text independently. By second grade, students will also respond in writing to what they have read. All students will independently write for various purposes using appropriate language, organization and grammar.

Math - Primary mathematics is focused on counting, addition, and subtraction within word problems. By the end of second grade, students will know from memory, sums of two one-digit numbers. Students will learn about and compare hundreds, tens, and ones. . Students will engage in meaningful discourse about mathematical reasoning; they make connections and evaluate various mathematical representations to show understanding.

Goals and Goal Setting

(Grade Kindergarten)

School Goals

Talbott Springs administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school. For the 2018-2019 school year, TSES will encourage student discourse, reasoning, logic and evidence while focusing on the following areas:

- **Math:** counting, place value, addition and subtraction and word problems.
- **English/Language Arts:** a balanced literacy program incorporating reading, writing, speaking, listening and language College and Career-Readiness Standards.

At school, we promise to

- provide high quality, data driven instruction in reading and math in order to support all students at their academic level.
- facilitate learning through differentiated instructional groupings.
- provide a safe and positive environment so that students can learn.
- provide ways for parents to support their child's achievement.
- provide family programs and materials to help parents understand the Common Core, state and local assessments and ways to help students with at home learning.

Parent Expectations

- ☐ Ensure that my child attends school every day, gets adequate sleep and proper nutrition
- ☐ Read aloud and provide books for my child to read 15 minutes every day (in English or Spanish). Talk to them about what they read.
- ☐ Complete the monthly family projects and work on activities from the Fast Start literacy binder.
- ☐ Look at my child's daily folder and review the work each week to check on my child's progress.
- ☐ Attend and participate in family programs, Back to School Night and Parent Teacher Conferences to help monitor my child's progress.
- ☐ Check the teacher/team Canvas page on a regular basis to keep current about team events.

As a student, I will:

- Represent myself in a positive manner by RISE-ing (Respectful, Inspire, Self-Control, Empathy).
- Arrive at school on time and ready to learn.
- Talk to my family about what I am learning.
- Do my best all day, every day.
- Ask questions at school and home when I don't understand.
- Set goals and work hard to achieve them.

Home and School Partnership

Communication

TSES is committed to communicating with parents and students regarding academic progress, attendance and behavior, and school events.

- Interims and Report Cards (each 4 times a year)
- Parent/ Teacher Conferences (11/19 and 11/20)
- Positive Phone Calls home
- Weekly School Newsletter
- School Event Calendar (quarterly)
- Updates on website, Canvas and School Messenger
- Notes/ phone calls/ emails as needed
- Interpreter services and translated documents are always available upon request.

Volunteer Opportunities

There are a lot of great ways to help out:

- Join the PTA (Parent Teacher Association)
- Join SIT (School Improvement Team) or FIT (Family Involvement Team)
- Provide feedback on evaluations after events
- Volunteer in your child's classroom or on a class field trip. (Many volunteers will be needed for our JA in a Day scheduled for 1/29/18)
