Talbott Springs is a Schoolwide Title I school

Title I programs at each school vary depending on the needs of the students. TSES families, students and staff benefit from being Schoolwide Title I in many ways. Every child may benefit from the added services and funding that a Schoolwide Title I program can offer. A Schoolwide program helps a school to address the learning strengths and needs of a child using a more comprehensive approach.

Benefits Title I Brings to TSES:

- Additional instructional staff
- Differentiated instruction and interventions
- Extra mobile laptop labs
- Funds to hold schoolwide and targeted family nights
