We loved hearing about students who tried <u>new active things</u> like riding bikes, hiking, jumping jacks, dancing and more! In November, we are challenging students to try 4 new vegetables. If your child needs a necklace, please visit our website and click on the TSES Monthly Wellness Challenge block, or send a note to school and we’ll send home a Healthy Habits contract.</p>

*You are the most important teacher your children have! Be sure to read with them and to talk to them each day about what they are doing and what they are learning.*
