From the Principal

We had a busy week at TSES! Wednesday was a double celebration of Valentine's Day and the 100th Day of School! So much excitement! This is also an important instructional time of our school year. New skills are being introduced each day. Please ensure that your that your child is at school and on time unless he or she is sick. Although our teaching staff work to assist students with catching up because of missed time, it is better to be part of the instruction as much as possible.

It's almost time to register for kindergarten for the 2018-19 school year! Please shae with your neighbors that Kindergarten registration week is March 5-9. A new online registration process will

open on February 26 and almost the whole process can be done online. Families should plan to visit their assigned school during the week of March 5-9, 2018 to finalize registration. Please visit <http://www.hcpss.org/enroll/kindergarten/> for the most updated information. TSES also has a Full Day Kindergarten program! Students who will be 4 years old on or before September 1, 2018 should visit <http://www.hcpss.org/schools/pre-k-programs/> to learn more about our full day Pre-Kindergarten program.

On Friday, February 16, 2018 all HCPSS staff members will be attending professional development learning sessions at multiple sites across Howard County. Although topics of each of the sessions vary, the goal is to continue to provide opportunities for school staff to learn skills to ensure that equitable teaching and communication skills are at the highest level to ensure that our students are learning.

I hope that you have a wonderful weekend!

Nancy Thompson

PODEMOS: Seguimiento del Evento de Bienestar Familiar

Nuestro evento a finales de enero fue un éxito, pero si se lo perdió, ¡no es demasiado tarde para unirse a nuestros Desafíos de Healthy Family! ¡Nuestro objetivo es que todas las familias en TSES participen y se comprometan a estar saludables! Cada mes, comenzando en febrero, nos enfocaremos en una nueva iniciativa de familia saludable y desafío familiar. Nos enfocaremos en el balance de energía, y la energía de su familia. Si está interesado en unirse al Healthy Family Challenge, busque el contrato de "Pasos Pequeños" en la carpeta de su hijo la próxima semana. Una vez que recibamos su contrato, le enviaremos a su hijo (s) un collar buscador de estado físico. Cada mes, su hijo obtendrá amuletos de buscador de acondicionamiento físico para completar el Healthy Family Challenge (y otros desafíos también). Esperamos que todos los estudiantes participen y llevarán sus collares con orgullo cada MIÉRCOLES! Si tiene alguna pregunta, póngase en contacto con la Sra. Glassband en allyson_glassband@hcpss.org.
