**Question**: How can I check my child's grades and current and past assignments?

Have your child log in to Canvas and click on the Grades button along the black sidebar.

The total grade for each course will be shown.

Courses I'm Taking

MUSIC	no grade	Semester 1
ART	no grade	Semester 1
MATHEMATICS	no grade	Quarter 1

PLEASE NOTE: for Language Arts and Mathematics, the Total grade does **<u>NOT</u>** determine the letter grade (I, W, N) on the report card. The Language Arts and Mathematics report card grades are based on <u>Assignment Group Totals</u>. In order to see those scores, you need to click on the course title.

To learn about the assignments that contribute to the total grade, click on the course title.

                                              Problem Solving: **68.02%**
                                              Understanding of Concepts: **96.14%**

For example, if the total for Mathematics is 82.08% (I) but the Assignment Group Totals for Problem Solving and Concepts are 68.02% (W) and 96.14% (I), the report card grades for Mathematics will be W and I, not Is in both categories.
