Spring/Summer 2023

Dear Parents and Guardians of TSES students,

**Welcome to Talbott Springs Elementary School!** I am delighted that you are joining our school family and I look forward to welcoming your child and your family for the 2023-2024 school year.

The transition to a new school is an exciting yet different journey for every child and for every parent. In some instances, the parent is more ready than the child for the change and at other times, the child is more ready than the parent! Wherever you and your family are on the readiness scale-we are here to assist with making the transition as smooth as possible.

The staff at Talbott Springs Elementary are eager to meet our new students and have already spent many hours preparing for their education. If you are interested in learning more about what your child will learn this school, you can find information about HCPSS Curriculum Programming at this [link](#).

As you are talking with your child about starting at a new school, please be sure to listen to his or her thoughts and ideas. Children tend to be honest with their feelings and seek the chance to be heard by a trusted adult. Many children are eager to start school and adjust easily. Some children require some support during the transition and are typically adjusted after a short period of time.

It is important to ensure that all documents are either brought to TSES or uploaded to your registration site. Once your registration is complete with all documents verified, you will receive emails from TSES and HCPSS. Please be sure to opt in for text messages from Talbott Springs Elementary when prompted to do so.

Please visit the Talbott Springs website at [www.tses.hcpss.org](http://www.tses.hcpss.org) or the Howard County Public School System website at [www.hcpss.org](http://www.hcpss.org) for information. Please call 410-313-6915 with questions.

I look forward to meeting you and learning more about your child as you join the Talbott Springs Elementary School family.

Sincerely,

*Nancy Thompson*
