Too often, students are concerned with the final product. We want to show them that the process is the most important part. When they can think critically and use high-level reasoning skills, then they can produce a final product, not once, but over and over again. A free book will be given to all participants. Plan on joining us for this exciting event!</p>	<p style="text-align: center;"><b>ACADEMIC NIGHT</b> JANUARY 9 6:00-8:00 PM</p> <p>Wednesday, January 9th. Learning Under the Stars! This year we have activities planned to build the love of reading, the enjoyment of math and the desire to learn! Please join us for bedtime math, flashlight reading, nighttime stories, late night snacks, crafts, prizes and more! Wear your pajamas and bring a stuffed friend!</p>	<p style="text-align: center;"><b>JUNIOR ACHIEVEMENT IN A DAY: JANUARY 29<sup>TH</sup></b> PARENT SESSION: TBD AT 8:30 AM OR 5:30 PM</p> <p>For the 4th year in a row, TSES is thrilled to be hosting a JA in a Day on January 29<sup>th</sup>!
